

SPEAKER LUEDTKE: I have no objection personally to handling it that way. We do have just half an hour left and we could take up the motions and then spend the...

SENATOR DE CAMP: Well, Senator Murphy, I know his motion and I know he wants to get it and that is an important bill. We could do that in about ten minutes, five minutes.

SPEAKER LUEDTKE: All right, if it is agreeable the Speaker will switch the order then to agenda item eight and we will take up LB 385 immediately upon return after recess then. It has been read in, Mr. Clerk, so we will just take it up from that point then after recess. We will proceed then with item number eight on motions. LB 476. Senator George is not here.
